WORK EXPERIENCE

FrontEnd Developer
Sukanya Softwares

01/2024 - 04/2024   *Remote*

Developed and enhanced web applications with HTML, CSS, JavaScript, and React. Collaborated with design team, optimized performance (20% faster), and ensured responsive design

Contact : *contact@sukanyasoftwares.com*

SKILLS

Next.js | Power Bi | Data Structure | java-Intermediate | Python-Intermediate | Wordpress | Android studio Intermediate | Full Stack Web Development | MERN Stack | Tailwind CSS-Intermediate | Bootstrap-Intermediate | Problem Solving | communication skill

PERSONAL PROJECTS

portfolio Website (07/2024 - 08/2024)
- A frontend portfolio website showcases a developer's skills and projects using HTML, CSS, and JavaScript. It features a header with navigation, a home section with a welcome message, an about section, a projects section with images and links, a skills section with progress bars, a contact form, and a footer with copyright info. JavaScript adds interactivity.
